

Oxford House Expense Tracker - Beta One-Pager

Use this quick guide for setup, access, and reporting during beta.

1) Beta mission

- Use the app in real day-to-day workflows.
- Report bugs, confusion, and friction quickly.
- Keep using your normal expense process during beta (do not switch fully to this app yet).

2) Get access fast

iPhone (TestFlight)

- Install TestFlight: <https://apps.apple.com/us/app/testflight/id899247664>
- Accept the Apple team invite first, then install/update the app from TestFlight.

Android (Internal testing)

- Join internal test: <https://play.google.com/apps/internaltest/4701544356101901260>
- Update from Google Play when a new test build appears.

Web Portal

- Web Portal Login: <https://oxford-mileage-tracker.vercel.app/login>

3) Submit feedback

- Feedback form: <https://forms.gle/vmUf6qzESDk5uTai8>
- Quick link: <https://tinyurl.com/ExpenseTrackerFeedback>

When submitting, include:

- Device + OS version
- App area tested (GPS, Mileage Entry, Hours, Staff Portal, Export)
- Exact date(s) used
- Screenshot or screen recording when possible

4) Release cadence and updates

- We may ship multiple beta updates each week.
- On mobile, install updates as soon as they appear in TestFlight/Google Play Internal Testing.
- On web, refresh/reload if behavior looks outdated.
